

City of Coquitlam Parking Restrictions

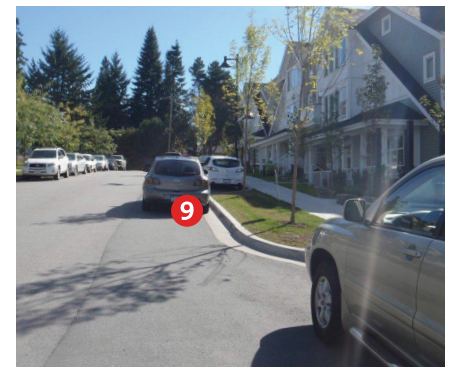

Parking Restrictions covered under the City of Coquitlam Traffic Bylaw No. 3574
 Certain parking restrictions are in effect whether or NOT signs are in place.

NO PARKING:

- 1 within 6m of a cross-walk;
- 2 within 5m of a hydrant;
- 3 within 6m of a stop sign or traffic signal;
- 4 within 9m of an intersecting roadway;
- 5 in an intersection;
- 6 within 3m either side of a driveway, walkway, or cycle path;
- 7 on an alley or back lane in a position which leaves less than 3m of travelled road width or restricts the flow of traffic;
- 8 on an alley or back lane 5.5m directly in front of a garage or driveway; or
- 9 beside a "curb bulge" (see photo);

Please note:

- Y Vehicles greater than 6.5 m in length or have a GVW greater than 4,500 kg must park in an industrial area.
- Y Trailers cannot be parked on any street unless they are attached to a vehicle capable of towing them.
- Y No vehicle may be parked on any street for longer than 48 hours without being moved.

It is not practical or desirable to install signs indicating parking regulations in every case.
